

Minister presents Midland company with the Excellence Ireland Foundation Mark

On April 16th 2002, Mr. Brian Cowen T.D., Minister for Foreign Affairs presented the Foundation Mark to seven companies from the Midlands, following a programme that was launched in conjunction with the Laois, Offaly & Westmeath Country Enterprise Boards. Fás' Pat Dalton the vice-chairman of Excellence Ireland's Regional Council played a pivotal role in the scheme, which included ten companies. The local County Enterprise Board had already been involved in growing each of the businesses and used the Foundation Mark as a way of earning the firms recognised accreditation and taking them further down the road to becoming successful, robust businesses.

G & L Property Investments Ltd was one of the seven businesses to receive the Foundation Mark Award.
